A DELICATE MISSION.

the crazier I was thought to be by all except one physician, whose kindness and gentle ways I shall not soon forms.

IN THE TEMPORARY HOME.

" she urged; "all the

On Washington Street, Brooklyn.

Covering the entire square bounded by Washington, Adams, Tillary and Federal Streets, and directly opposite our well-known establishment at Fulton, Washington and Tillary Streets, 3 BLOCKS FROM THE BROOKLYN TERMINUS OF THE BRIDGE, is the most

Grand, Beautiful and Interesting

retail establishment in America. It enormous floor space, its perfect light, its wonderful height of ceiling, its magnificents interior and modern arrangement, together with the great extent and variety of its stocks, each of which is a complete store itself, all combine to make it the most attractive shopping resort in either Brooklyn or New York.

We Occupy Two Enormous Buildings,

situated directly opposite each other, both equipped in accordance with the most advanced ideas, conducted in the most liberal manner, "The Universal" offering everything for the furnishing and decoration of the house and the complete outfitting of men and boys, while the

Fulton Street Establishment

offers the finest and largest stocks of dry goods shown by any house in this country, with everything for the outfitting of ladies, misses and children. Thus, both together supply

Everything for Everybody.

As we are direct importers for our retail trade, and the direct agents of the largest manufacturing concerns in this country, and always buy for cash, we quote

Positively the Lowest Prices

asked anywhere for goods of strictly reliable quality sold under a guarantee of absolute satisfaction.
